

**God's Picture Album of His Only Begotten Son in Exodus - (Exodus 2:11-22, Deuteronomy 18:15-18; 5:1-6) - We are not understanding the Old Testament (Or the New) if we do not see Jesus Christ everywhere on every page.** Some of these pictures of Jesus Christ are brought to us by the Holy Spirit through "Word Pictures" or "Types". Only God has the foresight to produce types, men do not have this ability without the inspiration of God. Thank God He has preserved these down thru the centuries so we can learn about Jesus Christ. The Bible is truly God's Picture Album of His only begotten Son. In Exodus 2:10 we're introduced to Moses who is mentioned 813 times in other parts of the Bible.

A tremendous picture materializes in the remainder of the chapter with Moses leaving his place of comfort, ease, and preeminence in the palace to present himself to his brethren as their appointed deliverer. Here he is rejected by his brethren and turns to the Gentiles at which time he takes a Gentile bride. In the ensuing chapters he would return to those brethren and be received in his second appearance and deliver the nation of Israel from their bondage. It can be easily seen in all of this that Moses is a tremendous picture of Jesus Christ. The Holy Spirit actually spells this Bibletype out for us in Deuteronomy 18:15-18. The ministries of Jesus Christ and Moses are paralleled in the New Testament in places like John 5:45-47 and Hebrews 3:1-6. But more than that, the New Testament clearly depicts Jesus Christ as being that "Prophet like unto Moses".

In this study we'll take a look at Moses as a type of Jesus Christ. Moses is a type of Jesus Christ in the following ways:
